EMPRESS OF THE RACNOSS

Hello, Time Travellers!

What a week. I invented the wheel. Reinvented the wheel. Made friends with a seal. And then tried to go out for a meal. I wanted to get a table at the most famous restaurant in the universe - Falladino's Galaxy Gourmet hot-dog stand, but because it was Valentine's Day, there were loads of monsters holding tentacles and smooching and taking up the tables. Eeww! Some days I would just rather run into a fleet of Daleks.

CLONE ZONE

MEET THE **ANGRY, WAR-LOVING ALIENS**
 - THE **POTATO-HEADED SONTARANS!**

WHO ARE THEY?

The Sontarans are a race of **short, stocky warriors** from the planet Sontar. They **clone** themselves - so they all look very similar. Sontarans **live to fight** and will always attack first and ask questions later.

DID YOU KNOW?

A blow to the probic vent at the back of a Sontaran's neck can knock him out. If the blow is very hard, it can kill him almost instantly!

1

First seen in *The Time Warrior*, 1973

The first Sontaran the Doctor met was called Linx. This Sontaran officer crashed to Earth in the Middle Ages and kidnapped scientists from the future to help him repair it.

2

First seen in *The Sontaran Experiment*, 1975

The next Sontaran to appear in *Doctor Who* was Field Major Styre. He was almost identical to Linx apart from having five fingers on each hand instead of three.

POTATO HEADS!

CREATE YOUR OWN SONTARAN ARMY!

YOU WILL NEED:

- POTATO
- MODELLING CLAY
- COCKTAIL STICKS
- JELLY BEAN
- TOOTH SWEET
- RAISINS
- NUTS

It's easy to make your own Sontaran head! Ask an adult to help you cut the bottom off a potato so that it sits flat. Use a strip of modelling clay for the blue armour, then ask an adult to help you stick the Sontaran's features on to the potato with cocktail sticks.

We'd love to see your potato heads! Email your pics to hello@dwamag.com or post them to Potato Heads, Doctor Who Adventures, Fourth Floor, Vineyard House, 44 Brook Green, London W6 7BT!

THE DOCTOR'S DALEK

Don't get exterminated!

SURVIVAL GUIDE

BE PREPARED FOR DALEK INVASIONS WITH THE DOCTOR'S USEFUL INFO!

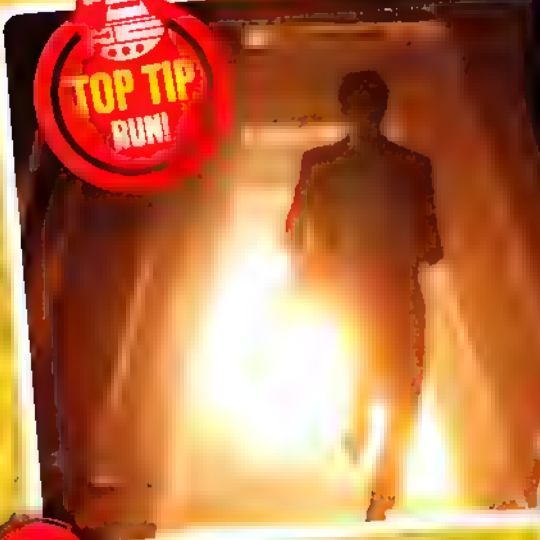

Hello! I often wonder what would happen if a load of Daleks invaded Earth again. So I've put together this handy guide to the most dangerous creatures in the universe!

What are you waiting for?

TOP TIP
RUN!

FIRST THINGS FIRST!

What's that? You think Daleks are **cool**? Well, listen up, matey - Daleks are **bad**. They are full of hate and they ALWAYS want to be the most powerful race in the universe. They **exterminate** people. A lot. So if you see one... run!

TOP TIP
Don't try this at home!

PUSH OVER

Some older Daleks are a real pushover - literally! Tip them on their side and they'll be in trouble. A **dizzy Dalek** isn't a happy one, though, so make sure you're miles away if they get up again.

DUSTY DALEK

TOP TIP
One, two, three PUSH!

DIZZY DALEK

CLUNK

WEAK SPOT

Okay, so it's hard to destroy a Dalek, but luckily they do have a weak spot. The **eyepiece** at the end of their eyestalk is **vulnerable**, and if destroyed, the Dalek can't see anything. Just watch out for their blaster...

TOP TIP
Aim for the eyepiece!

BEHIND YOU!

It's quite easy to **sneak up** on a Dalek and hide behind it. Some Daleks can sense this, though, and might suddenly **turn around**. Only do this in an emergency.

TOP TIP
Approach from behind.

WE ARE
THE SUPERIOR
BEINGS! DALEKS
CONQUER AND
DESTROY!

DALEK SUCKER -
DANGEROUS WHEN
NEAR A HUMAN
FACE

BLASTER -
CAN CAUSE
INSTANT DEATH

MAKE FRIENDS

You could be in luck - one day you might meet a friendly Dalek that was **once human**, like Oswin Oswald. She helped me escape the Dalek Asylum - and wiped all the Dalek **memories** of me!

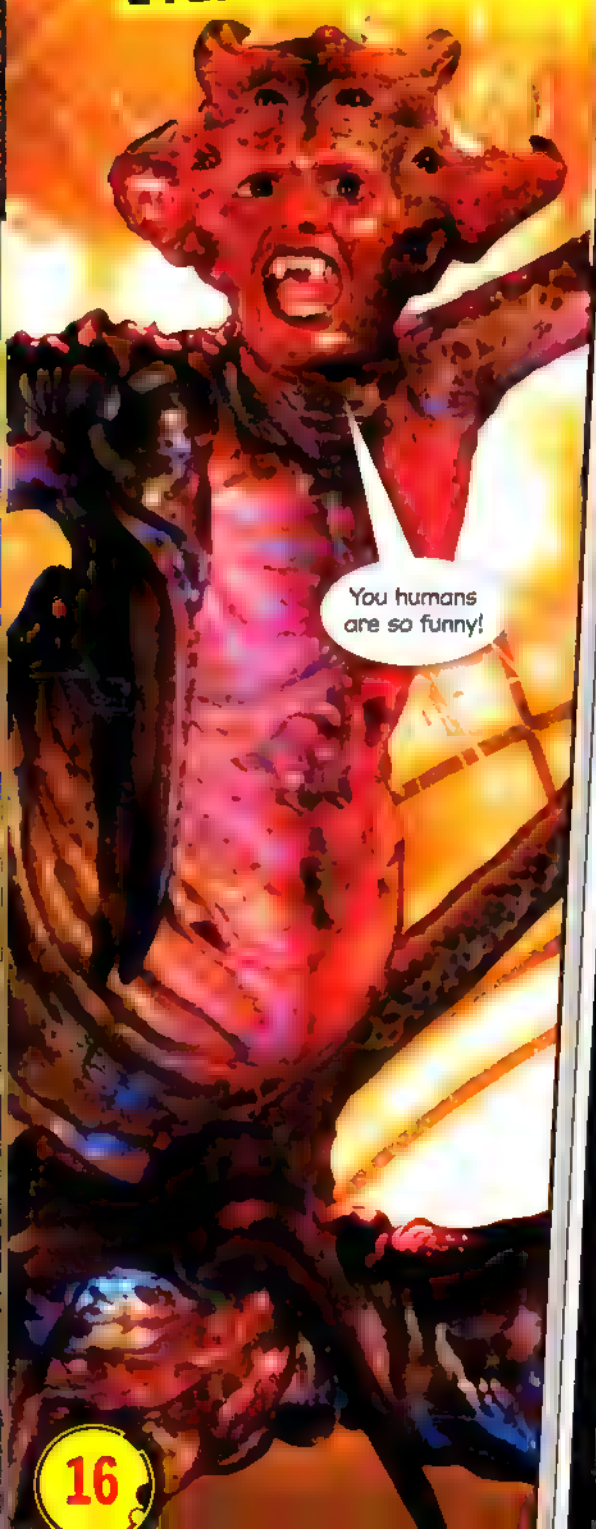

DALEK GIRL

TOP TIP
Find Oswin!

Ha-ha-ha. Doctor-man!
I've found you!

Oh, hello, Spidey Lady Racnoss!
I've not heard from you in ages!

Ha! I dropped my phone into the centre
of Earth and only just got it back.

Oh, soz to hear that.
I've missed you!

Ah! Don't mock me, little Doctor-man!

So what have you been up to?

Big news! I auditioned for a part in the
new *Spider-Man* film but I didn't get it.

Why not? You'd be great!

Maybe because I ate the casting director

MONSTERS IN LOVE

VALENTINE'S
SPECIAL

CHECK OUT THE LATEST GOSSIP ABOUT
CREATURE CRUSHES AND MONSTER MUSHIES!

Even some of the most hideous creatures in the universe have a softer, more loveable side. Yes, it's true - monsters can fall in love, too! Here's the cheeky Cherubs' guide to aliens that found love at first fright!

WEeping ANGEL AND CYBERMAN

Angela the Weeping Angel and Colin the Cyberman fell in love on their first date. Colin upgraded his face to include eyelids. Now he blinks all the time, so Angela can move! They're married and live near Stonehenge.

SILENT AND SLITHEEN

Stuart the Silent met Sarah Slitheen on a camping holiday on Clom. Before they knew it, they were in love. Only problem was she kept forgetting she'd met him and parped all the time! Whoops!

A circular inset image showing a Dalek Skeleton in a white robe and a woman named Darla in a black hooded cloak, both holding weapons.

DALEK SKELETON AND DARLA

Love is hard to find when you're part Dalek. But when Darla spotted Steven the Dalek Skeleton one special day, she knew he was the man for her. They live on Skaro and work for a group of dusty old Daleks.

A circular inset image showing a Dalek Gunslinger in a black cowboy hat and a woman named Kovarian in a black corset, both holding weapons.

THE GUNSLINGER AND KOVARIAN

With a similar taste in clothing, eye wear and general badness, the Gunslinger couldn't keep his cybernetic eye off Madame Kovarian. He really upset Dalek Sec Hybrid, who had a massive crush on Madame K, too!

A circular inset image showing a close-up of the Dalek Sec Hybrid's face, which is a mix of Dalek and human features.

POOR DALEK SEC HYBRID

In experimenting with his human side, all Sec wanted was peace and to fall in love. Sadly, he was exterminated by the Daleks before he found happiness.

DOCTOR DOCTOR!

DO YOU HAVE A PROBLEM THAT NEEDS SOLVING? THEN ASK THE DOCTOR!

FOR SALE?

Dear Doctor,
Have you ever put the TARDIS up for sale?
Ishaan Bhatia

THE DOCTOR REPLIES:

Ishaan! The TARDIS and I have been together for a long, long time - it's my home and she's looked after me for hundreds of years. I would never want to sell her. And even if I did, who could be trusted not to travel back and change history? Or nip forward to find out what happens in next week's episodes of their favourite monster soap opera, *BeastEnders*? Who would do that? Oops, just realised that I have acutally done both those things...

BROKEN SONIC

Dear Doctor,
What would happen if your sonic broke?
Angelo Montantaro

THE DOCTOR REPLIES:

This is a very good question, Angelo. The funny thing is, I carried the sonic screwdriver for years until it was eventually blown up by a nasty creature called a Terileptil. I didn't get round to making a new one for a good few hundred years. Don't really know why - things happened, adventures got in the way. If it got damaged again, I'd just get the TARDIS to rustle up a new one for me. Easy-peasy!

WEeping WONDER

Don't turn around.

I've got a bad feeling about this!

Dear Doctor,
Why do the Weeping Angels send people back in time?
Billy Graham

THE DOCTOR REPLIES:

When an Angel touches you, you get thrown back into the past and the energy created by the zapping provides food for them. They do this to keep themselves alive. I once said that Angels 'kill you nicely', because you don't actually die but get sent to a time and place you don't know, before you, or your friends and family, were even born!
